## **Tools, Tricks and Products**

### **to help you show off**

Whether you're new to ShowOffs Body Art or a returning customer, there's no doubt you want to make some serious cash and have fun doing it. There's no other company out there willing to provide the products, service and knowledge you need to keep your phone ringing off the hook.

Start earning right away with the ShowOffs way. Our stencils enable you to create beautiful faces and tattoos right out of the box. Pull the airbrush trigger and you're in business. Also get the best airbrush makeup money can buy.

Rather than sell weeks of training and lots of fancy equipment, we recommend a basic airbrush system, makeup, and custom stencils by ShowOffs made in the USA. We're great teachers who love to share our decades of knowledge and we do it with free instructional YouTube videos. Let's face it, the better you look, the better we look.

The secret to success lies in the use of stencils by ShowOffs Body Art. StencilEyes and QuickEZ will have you producing professional results in no time at all. Optical cues ensure stencils are aligned perfectly every time to create stunning faces and temporary tattoos.

ShowOffs has been entertaining crowds at festivals, parades, Halloween parties, fundraisers, carnivals, summer camps, flea markets, birthday parties, bar and bat mitzvahs, art shows, restaurants, dentist offices and more for almost 20 years!. Now that you know the "secrets" to success, you too can start pleasing crowds and earning big money. All it takes is a small investment in product and you're on your way.

Thank you and have a wonderful day,

Donna Nowak
