

KidsACT!

Do you know a
Middle or High School
Student?

Tell them about our **FREE** one-day Shakespearean acting intensive for middle and high school students sponsored by Water Works Theatre Company's *KidsAct!* program.

This free, two hour workshop offers an introduction to performing Shakespeare's sonnets as monologues. The workshop will focus on helping young actors own and understand Shakespeare's language and iambic rhythms. Through physical and vocal exercises, students will experience a unique process that will help them understand and decode the Bard's timeless poetry.
